# CALL-DEX

FOR DISCREET STREAMING FROM MOBILE PHONES

# A WHOLE NEW WORLD OF **WIRELESS** **SOUND**

The DEX™ assistive listening devices from Widex let you take advantage of a whole new world of sounds

They make communication between your hearing aids and your remote control, television, mobile or landline phone easy.

## **CALL-DEX**

CALL-DEX is an ultra-compact device for streaming conversations directly from your mobile phone to your hearing aids.

Extremely discreet, CALL-DEX simply inserts into the jack plug of your phone. You are then free to use your mobile phone normally. No neck loop and no need for your hearing care professional to set it up.

CALL-DEX lets you stream for up to 80 hours and is compatible with most mobile phones.
